

# Community Spirit 2 NEEDS YOU!

**Here is a great opportunity to Volunteer with an award-winning local charity and support your community.**

**Are you aged between 18 and 100? Are you looking for a rewarding pastime? Would you like to help others?**

Our wheelchair friendly boat provides free days out for those who may be disabled or disadvantaged. The boat sails most days throughout the year with a fully trained crew of three and up to 12 passengers. As a volunteer crew member you will be given the opportunity to train to nationally recognised standards.

You could learn and share your knowledge of the canals and our local environment with our passengers. You decide how much, or how little, time you can give to the project and in whatever capacity suits you!
